

I'll Always Remember You

Hannah Montana

I always knew this day would come
We'd be standing one by one
With our future in our hands
So many dreams so many plans Always knew after all these years
There'd be laughter there'd be tears
But never thought that I'd walk away
With so much joy but so much pain
And it's so hard to say goodbye But yesterday's gone we gotta keep moving on
I'm so thankful for the moments
So glad I got to know you
The times that we had I'll keep like a photograph
And hold you in my heart forever
I'll always remember you
Nanananana Another chapter in the book
Can't go back but you can look
And there we are on every page
Memories I'll always save
Up ahead on the open doors
Who knows what were heading towards?
I wish you love I wish you luck
For you the world just opens up
But it's so hard to say goodbye Yesterday's gone we gotta keep moving on
I'm so thankful for the moments
So glad I got to know you
The times that we had I'll keep like a photograph
And hold you in my heart forever
I'll always remember you
Everyday that we had
All the good all the bad
I'll keep them here inside
All the times that we shared
Every place everywhere
You touched my life
Yeah one day we'll look back
We'll smile and we'll laugh
But right now we just cry
Cause it's so hard to say goodbye Yesterday's gone we gotta keep moving on
I'm so thankful for the moments
So glad I got to know you
The times that we had I'll keep like a photograph
And hold you in my heart forever
I'll always remember you
