

# When You Tell Me That You Love Me

Julio Iglesias

I wanna feel this way longer than time  
I wanna know your dreams and make them mine  
I wanna change the world only for you  
All the impossible I wanna do I wanna hold you close under the rain  
I wanna kiss your smile and feel your pain  
I know what's beautiful looking at you  
Here in a world of lies you are the truth And baby everytime you touch me I become a hero  
I'll make you safe no matter where you are  
And bring you anything you ask for  
Nothing is above me  
I'm shining like a candle in the dark  
When you tell me that you love me  
I wanna make you see just what I was  
Show you the loneliness and what it does  
You walked into my life to stop my tears  
Everything's easy now I have you here And baby everytime you touch me I become a hero  
I'll make you safe no matter where you are  
And bring you anything you ask for  
Nothing is above me  
I'm shining like a candle in the dark  
When you tell me that you love me In a world without you  
I would always hunger  
All I need is your love to make me stronger  
And baby everytime you touch me I become a hero  
I'll make you safe no matter where you are  
And bring you anything you ask for  
Nothing is above me  
I'm shining like a candle in the dark  
When you tell me that you love me  
When you tell me that you love me  
When you tell me that you love me  
When you tell me that you love me
