

When You Tell Me That You Love Me

Julio Iglesias

I wanna feel this way longer than time
I wanna know your dreams and make them mine
I wanna change the world only for you
All the impossible I wanna do I wanna hold you close under the rain
I wanna kiss your smile and feel your pain
I know what's beautiful looking at you
Here in a world of lies you are the truth And baby everytime you touch me I become a hero
I'll make you safe no matter where you are
And bring you anything you ask for
Nothing is above me
I'm shining like a candle in the dark
When you tell me that you love me
I wanna make you see just what I was
Show you the loneliness and what it does
You walked into my life to stop my tears
Everything's easy now I have you here And baby everytime you touch me I become a hero
I'll make you safe no matter where you are
And bring you anything you ask for
Nothing is above me
I'm shining like a candle in the dark
When you tell me that you love me In a world without you
I would always hunger
All I need is your love to make me stronger
And baby everytime you touch me I become a hero
I'll make you safe no matter where you are
And bring you anything you ask for
Nothing is above me
I'm shining like a candle in the dark
When you tell me that you love me
When you tell me that you love me
When you tell me that you love me
When you tell me that you love me
