

Hey Sandy

[polaris](#)

Hey smilin' strange
You're lookin' happily deranged
Could you settle to shoot me?
Or have you picked your target yet?Hey Sandy
Don't you talk back,
Hey SandyFour feet away
End of speech, it's the end of the day
We was only funnin'
But guiltily I thought you had it comin'Hey Sandy
Don't you talk back,
Hey SandyHey Sandy
Don't you talk back,
Hey Sandy
Hey Sandy
Don't you talk back,
Hey Sandy
