

Love Changes Everything

Sting & Shaggy

Love, love changes everything;
Hands and faces, earth and sky.
Love, love changes everything;
How you live and how you die.
Love can make the summer fly,
Or a night seem like a lifetime.
Yes, love, love changes everything,
Now I tremble at your name.
Nothing in this world will ever be the same.
Love, love changes everything;
Days are longer, words mean more.
Love, love changes everything;
Pain is deeper than before.
Love will turn your world around,
And that world will last forever.
Yes, love, love changes everything;
Brings you glory, brings you shame.
Nothing in this world will ever be the same.
Love, love changes everything;
Planning futures, shaping years.
Love bursts in and suddenly
All our wisdom disappears.
Love makes fools of everyone;
All the rules we made are broken.
Yes, love, love changes everyone;
Live or perish, in its flame. Love will never, never let you be the same.
Love will never, never let you be the same.
