

# Do You Remember

Blake Shelton

Where are you now?  
Who's holdin' you now?  
When your world stands still, do you remember?  
Leaves were fallin'  
We were fallin'  
Almost like a dream, do you remember? Seasons changed  
We both changed  
Sometimes I go back to when We ran, put our feet in the water  
We danced, didn't care who could see  
We sang every song to each other  
Summer would end, but not for me  
I still feel the hope in your kisses  
I still feel the sun on your skin  
I swear I was holdin' forever back then  
Do you remember?  
Where I am now  
Is where I should be now  
You're so far away, but always with me And it seems like  
Another life  
Whenever I go back to when We ran, put our feet in the water  
We danced, didn't care who could see  
We sang every song to each other  
Summer would end, but not for me  
I still feel the hope in your kisses  
I still feel the sun on your skin  
I swear I was holdin' forever back then  
Do you remember? We ran, we kissed, we learned to love, to live  
We ran, put our feet in the water  
We danced, didn't care who could see  
We sang every song to each other  
Summer would end, but not for me  
I still feel the hope in your kisses  
I still feel the sun on your skin  
I swear I was holdin' forever back then  
Do you remember?  
Do you remember?
