

My Way (feat. Alice Berg)

[Nicky Romero](#)

We were on our high, now we on our low
I need to pull myself together
Going back to sleep, wake me up when you leave
Last night was just a mistake Broken dreams, slamming doors
Is all we have ever known
Say goodbye, there's no return
I can't look back this time 'Cause I don't even hate you anymore
You call it heartache, I call it my way
I don't even know what you adore
I can't feel heartache, just going my way
I don't know you anymore (My way)
I don't know you anymore (My way)
I don't know you anymore (My way)
I don't know you anymore (My)
I don't know you anymore
We were stoned in love right from the start
So don't ever say you're sorry
We need to find a way, I hope you feel the same
This love was never for us Broken dreams, slamming doors
Is all we have ever known
Say goodbye, there's no return
I can't look back this time 'Cause I don't even hate you anymore
You call it heartache, I call it my way
I don't even know what you adore
I can't feel heartache, just going my way
I don't know you anymore (My way)
I don't know you anymore (My way)
I don't know you anymore (My way)
I don't know you anymore (My)
I don't know you anymore
I know, I know that it's my way
I know, I know that it's my way
Our brightest days were my darkest place
That's when I knew we don't belong I don't know you anymore (My way)
I don't know you anymore (My way)
I don't know you anymore (My way)
I don't know you anymore (My)
I don't know you anymore
