

# Comfortably Numb

## Pink Floyd

Hello  
Is there anybody in there?  
Just nod if you can hear me  
Is there anyone home? Come on now  
I hear you're feeling down  
Well, I can ease your pain  
And get you on your feet again Relax  
I'll need some information first  
Just the basic facts  
Can you show me where it hurts  
There is no pain, you are receding  
A distant ship's smoke on the horizon  
You are only coming through in waves  
Your lips move but I can't hear what you're saying  
When I was a child I had a fever My hands felt just like two balloons  
Now I've got that feeling once again  
I can't explain, you would not understand  
This is not how I am I have become comfortably numb I have become comfortably numb O.K.  
Just a little pin prick  
There'll be no more... aaaaaaaah!  
But you might feel a little sick  
Can you stand up?  
I do believe it's working, good  
That'll keep you going, for the show  
Come on it's time to go. There is no pain you are receding  
A distant ship's smoke on the horizon  
You are only coming through in waves  
Your lips move, but I can't hear what you're saying  
When I was a child  
I caught a fleeting glimpse  
Out of the corner of my eye  
I turned to look but it was gone  
I cannot put my finger on it now  
The child is grown  
The dream is gone  
And I have become  
Comfortably numb.
