## **The Dark Side**

## Muse

[Verse 1] I have lived in darkness For all my life, I've been pursued You'd be afraid if you could feel my pain And if you could see the things I am able to see[Chorus] Break me out, break me out Let me flee Break me out, break me out Set me free [Verse 2] I hail from the dark side For all my life, I've been besieged You'd be scared living with my despair And if you could feel the things I am able to feel[Chorus] Break me out, break me out Let me flee Break me out, break me out Set me free [Outro] Break me out, break me out Let me flee Break me out, break me out Set me free Save me from the dark side Break me out, break me out Set me free Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
