

Your Love Is a Song

Switchfoot

Yeah.
I hear you breathing in
Another day beginsThe stars are falling out
My dreams are fading now, fading outI've been keeping my eyes wide open
I've been keeping my eyes wide openYeah. Ooh, your love is a symphony
All around me
Running through me
Ooh, your love is a melody
Underneath me
Running to meOh, your love is a songThe dawn is fire bright
Against the city lights
The clouds are glowing now
The moon is blacking out, its blacking outI've been keeping my mind wide open
I've been keeping my mind wide openOoh, your love is a symphony
All around me
Running through meOoh, your love is a melody
Underneath me
Running to meOh, your love is a song
Your love is a song
Oh, your love is a song
Your love is a songWith my eyes wide open
I've got my eyes wide open
I've been keeping my hopes unbroken
Yeah, yeah
Ooh, your love is a symphony
All around me
Running through meOoh, your love is my melody
Underneath me
Running to meOh, your love is a song, yeah, yeah
Your love is my remedy
Oh, your love is a song
