Your Love Is a Song

Switchfoot

Yeah.

I hear you breathing in

Another day beginsThe stars are falling out

My dreams are fading now, fading outI've been keeping my eyes wide open I've been keeping my eyes wide openYeah. Ooh, your love is a symphony

All around me

Running through me

Ooh, your love is a melody

Underneath me

Running to meOh, your love is a songThe dawn is fire bright

Against the city lights

The clouds are glowing now

The moon is blacking out, its blacking outI've been keeping my mind wide open I've been keeping my mind wide openOoh, your love is a symphony

All around me

Running through meOoh, your love is a melody

Underneath me

Running to meOh, your love is a song

Your love is a song

Oh, your love is a song

Your love is a songWith my eyes wide open

I've got my eyes wide open

I've been keeping my hopes unbroken

Yeah, yeah

Ooh, your love is a symphony

All around me

Running through meOoh, your love is my melody

Underneath me

Running to meOh, your love is a song, yeah, yeah

Your love is my remedy

Oh, your love is a song
