

# Turn Around (feat. Ne-Yo) [Dave Audé Radio]

## Conor Maynard

Turn around, open your eyes  
Look at me now  
Turn around, girl I've got you  
We won't fall down, yeah We can see, forever from up here, yeah  
So long as we're together  
Have no fear, no fear  
So turn around, floating  
So high up off the ground  
Floating so high, turn around  
Together, nothing can stop us now  
Listen baby, turn around, floating  
So high up off the ground  
Floating so high, turn around  
Together, nothing can stop us now  
Turn around, turn around Turn around, outer space  
We can go there now, yeah  
Turn around, there's no  
Limit to what we found, uh yeah  
Music up, I wanna feel it all, yeah  
We'll stay up, cause there's no way for us  
To fall, to fall  
So turn around, floating So high up off the ground  
Floating so high, turn around  
Together, nothing can stop us now Listen baby, turn around, floating  
So high up off the ground  
Floating so high, turn around  
Together, nothing can stop us now  
Turn around  
Uh baby, we're so high now, whoa  
Tell our worries and our pain goodbye now  
Oh, oh, our home is the sky now  
So turn around, floating  
So high up off the ground  
Floating so high, turn around  
Together, nothing can stop us now  
Listen baby, turn around, floating  
So high up off the ground  
Floating so high, turn around  
Together, nothing can stop us now  
Turn around  
Turn around  
Turn around nothing can stop us now
