

Party Animal

Charly Black & Luis Fonsi

The remix

Maluma My girl come flip it like flipper gyal
flip it like flipper gyal
make ya bumpa flip like a flipper gyal
flip it like a flipper gyal
flip it like a flipper gyal Baila sobre mi cuerpo yal, muévete es un carnaval
me encanta la forma en que bailas por mí
tu movimiento es algo tan sensual, yal no pares de bailar
no lo pienses más, entrégate a mí (entrégate a mí) Baby you bubblin
you bubblin, you bubblin body
gyal you a party animal
gyal you active no you lazy
gyal you a party animal
Look how you wine you drive me crazy
gyal you a party animal
you wine so good, you just so good
gyal me love how you part Un shot, dos shots, tres de guaro
no hagas planes que esta noche rumbeamos
nos juntamos y muy rico bailamos
viendo el amanecer
(como así)
Como tu te mueves, solo tu lo sabes hacer
tu cuerpo con el ritmo combinan salvaje
sueños con estar a solas, quitándote el traje Vamos para medallo, vamos para medallo yal
gyal you a party animal
vamos para medallo, vamos para medallo yal
juro que no te arrepentirás
Wine up pon me body gyal
wine just like a carnival
gyal me love the way that you wine for me
gyal your wine is so emotional
so wine up pon me body gyal
me want you come wine your waistline for me Vamos para medallo, vamos para medallo yal
gyal you a party animal
vamos para medallo, vamos para medallo yal
juro que no te arrepentirás No worry bout your friends they are with my friends
after the club a party pon mi benz
so gyal just flip it like a flipper gyal, flip it like a flipper gyal
righty this moment Baila sobre mi cuerpo yal, muévete es un carnaval
me encanta la forma que bailas para mi
gyal your wine is so emotional, so wine up pon me body gyal
me want you come wine your waistline for me Baby you bubblin

you bubblin, you bubblin body
gyal you a party animal
gyal you active no you lazy
juro que no te arrepentirás Look how you wine you drive me crazy
gyal you a party animal
you wine so good, you just so good
gyal me love how you party Ok tú ya me conoces baby
