I'll Be There For You

Bon Jovi

I guess this time you're really leaving I heard your suitcase say goodbye Well, as my broken heart lies bleeding You say true love, it's suicide You say you've cried a thousand rivers And now you're swimming for the shore You left me drowning in my tears And you won't save me anymore I pray to God you'll give me one more chance, girl I'll be there for you These five words I swear to you When you breathe, I want to be the air for you I'll be there for you I'd live and I'd die for you I'd steal the sun from the sky for you Words can't say what love can do I'll be there for you I know you know we've had some good timesNow they have their own hiding placeWell, I can promise you tomorrow But I can't buy back yesterday And baby you know my hands are dirty (And baby you know my hands are dirty) But I wanted to be your valentine I'll be the water when you get thirsty, baby When you get drunk, I'll be the wine I'll be there for you These five words I swear to you When you breathe, I want to be the air for you I'll be there for you I'd live and I'd die for youI'd steal the sun from the sky for you Words can't say what love can do I'll be there for you I wasn't there when you were happy(I wasn't there when you were happy) I wasn't there when you were down Didn't mean to miss your birthday, babyI wish I'd seen you blow those candles out Oow! I'll be there for you These five words I swear to you When you breathe, I want to be the air for you I'll be there for you I'd live and I'd die for you I'd steal the sun from the sky for you
