

# Motorcycle Emptiness

## Manic Street Preachers

Culture sucks down words  
Itemise loathing and feed yourself smiles  
Organise your safe tribal war  
Hurt maim kill and enslave the ghetto Each day living out a lie  
Life sold cheaply forever, ever, ever Under neon loneliness motorcycle emptiness  
Under neon loneliness motorcycle emptiness Life lies a slow suicide  
Orthodox dreams and symbolic myths  
From feudal serf to spender  
This wonderful world of purchase power  
Just like lungs sucking on air  
Survival's natural as sorrow, sorrow, sorrow Under neon loneliness motorcycle emptiness  
Under neon loneliness motorcycle emptiness All we want from you are the kicks you've given us  
All we want from you are the kicks you've given us  
All we want from you are the kicks you've given us  
All we want from you are the kicks you've given us Under neon loneliness motorcycle emptiness  
Under neon loneliness motorcycle emptiness Drive away and it's the same  
Everywhere death row, everyone's a victim  
Your joys are counterfeit  
This happiness corrupt political shit Living life like a comatose  
Ego loaded and swallow, swallow, swallow  
Under neon loneliness motorcycle emptiness  
Under neon loneliness motorcycle emptiness  
Under neon loneliness motorcycle emptiness  
Under neon loneliness everlasting nothingness
