Come on, uh

For you like uh, ah, baby like uh, ah, baby Be ready, 8 pm I'm picking you up
You'll be like uh, ah, baby like uh, ah, baby Hold your door open (yes)
Buy your flowers (that's right)
I'll be a perfect gentleman (gentleman, yeeeeeah)'cause I wanna dance with you all night,
Let's do that boogie disco,
Come on let's boogie tonight! And girl don't be shy, you'll be alright
Let's do that boogie disco,
Come on let's boogie tonight! When we do it Old School, Old Old School
We do it Old School, tonight (yeeeeeah)

For you like uh, ah, baby like uh, ah, baby Be ready, 8 pm I'm picking you up
You'll be like uh, ah, baby like uh, ah, baby Hold your door open (yes)
