

# Hosanna

Kirk Franklin

(alright.

let me hear you make some holy ghost crazy noise right now... let me hear.  
come on! come on zion clap those hands with me. come on, come on, all god's people.

come on, come on mike. come on come on come on!

throw 'em up like this! throw 'em up like this! come on! here we go...)

The angels bow down at the thought of you  
the darkness gives way to the light for you

(come on)

the price that you paid gives us life brand new

(what's his name)

hosanna forever we worship you

hosanna forever we worship you

(say it again, say it again, say it again)

The angels bow down at the thought of you  
the darkness gives way to the light for you

(say it again, come on)

the price that you paid gives us life brand new

(what's his name)

hosanna forever we worship you

(hosanna)

hosanna forever we worship you

(verse 2, verse 2 come on)

For you are the joy that my soul longs for  
the lamb that was slain for my sins

and the one i adore

king of kings, ruler of everything

(what's his name)

hosanna forever we worship you

hosanna forever we worship you

(say one more time, say what listen)

For you are the joy that my soul longs for  
the lamb that was slain (what) for my sins

and the one i adore

king of kings, ruler of everything

hosanna forever we worship you

hosanna forever we worship you

(listen to this, verse 3)

-bridge-

for your patience and kindness

and favor and mercy

and honor and glory

because you are worthy

we can't live without you  
we can't breathe without you  
we can't sing without you  
hosanna hosanna  
No greater love in this world but you  
no one can compare to the things you do (hey)  
wherever you go i will follow you  
hosanna forever we worship you  
(what's his name)  
hosanna forever we worship you  
(listen! listen! listen!)  
Someday every tongue shall confess your name  
this house made of clay soon shall pass away  
and whatever the test you will bring us through  
(what's his name)  
hosanna forever we worship you  
hosanna forever we worship you  
(say it again say it again say it again)
