

# When the Stars Go Blue

Tim McGraw

Dancin' where the stars go blue  
Dancin' where the evening fell  
Dancin' in your wooden shoes  
In a wedding gownDancin' out on 7th street  
Dancin' through the underground  
Dancin' little marionette  
Are you happy now?Where do you go when you're lonely  
Where do you go when you're blue  
Where do you go when you're lonely  
I'll follow you  
When the stars go blueLaughing with your pretty mouth  
Laughing with your broken eyes  
Laughing with your lover's tongue  
In a lullaby  
Where do you go when you're lonely  
Where do you go when you're blue  
Where do you go when you're lonely  
I'll follow you  
When the stars go blue  
The stars go blue, stars go blue
