

Dusk Till Dawn (feat. Sia)

ZAYN

Not tryna be indie
Not tryna be cool
Just tryna be in this
Tell me, are you too?
Can you feel where the wind is?
Can you feel it through
All of the windows
Inside this room?'Cause I wanna touch you baby
And I wanna feel you too
I wanna see the sunrise
On your sins just me and youLight it up, on the run
Let's make love tonight
Make it up, fall in love, try
But you'll never be alone
I'll be with you from dusk till dawn
I'll be with you from dusk till dawn
Baby, I am right here
I'll hold you when things go wrong
I'll be with you from dusk till dawn
I'll be with you from dusk till dawn
Baby, I am right hereI'll be with you from dusk till dawn
Baby, I am right hereWe were shut like a jacket
So do your zip
We would roll down the rapids
To find a wave that fits
Can you feel where the wind is?
Can you feel it through
All of the windows
Inside this room?
'Cause I wanna touch you baby
And I wanna feel it too
I wanna see the sunrise
On your sins just me and youLight it up, on the run
Let's make love tonight
Make it up, fall in love, tryBut you'll never be alone
I'll be with you from dusk till dawn
I'll be with you from dusk till dawn
Baby, I am right here
I'll hold you when things go wrong
I'll be with you from dusk till dawn
I'll be with you from dusk till dawn
Baby, I am right hereI'll be with you from dusk till dawn

Baby, I am right here
Could give love to your body
So, only you that can stop it
Go, give love to your body
So, only you that can stop it
Go, give love to your body
So, only you that can stop it
Go, give love to your body
Go, give love to your body
But you'll never be alone
I'll be with you from dusk till dawn
I'll be with you from dusk till dawn
Baby, I am right here
I'll hold you when things go wrong
I'll be with you from dusk till dawn
I'll be with you from dusk till dawn
Baby, I am right here
I'll be with you from dusk till dawn
Baby, I am right here
I'll be with you from dusk till dawn
Baby, I am right here
