

# The Sound of a Million Dreams

David Nail

Seeger was singing words I could believe in  
And "Main Street" was my street that night  
So I called up Samantha and asked her the  
    Chance of us  
    Running out 'neath the moonlight  
Well, she's not with me now, she can always  
    Be found  
    When I rewind the radio dial  
And like it was then I feel her on my skin  
And I'm back there for awhile  
    Chorus:  
So I labor for hours 'cause I know the power  
Of a song when when a song hits you right  
    Pouring my soul into stories of life  
    Hoping someone'll hear one tonight  
Maybe my voice will cut through the noise And stir up an old memory  
    And out of these piano keys  
Comes the sound, the sound of a million dreams  
My 18th summer I was a cocky up-and-comer,  
    Cranking up "Born to Run"  
    Turned left out the drive with the pistons  
    Open wide  
    And I came back a Prodigal Son  
My spirit was broken, she threw the door open  
    I love you not, I told you so  
When I hear "Mama Tried" I still break down  
    And cry  
And pull to the side of the road Repeat Chorus Twice The Sound of a Million Dreams
