

The Sound of a Million Dreams

David Nail

Seeger was singing words I could believe in
And "Main Street" was my street that night
So I called up Samantha and asked her the
Chance of us

Running out 'neath the moonlight
Well, she's not with me now, she can always
Be found

When I rewind the radio dial
And like it was then I feel her on my skin
And I'm back there for awhile

Chorus:

So I labor for hours 'cause I know the power
Of a song when when a song hits you right
Pouring my soul into stories of life
Hoping someone'll hear one tonight
Maybe my voice will cut through the noise
And stir up an old memory
And out of these piano keys

Comes the sound, the sound of a million dreams
My 18th summer I was a cocky up-and-comer,
Cranking up "Born to Run"

Turned left out the drive with the pistons
Open wide

And I came back a Prodigal Son
My spirit was broken, she threw the door open
I love you not, I told you so

When I hear "Mama Tried" I still break down
And cry

And pull to the side of the road Repeat Chorus Twice The Sound of a Million Dreams
