

# Upside Down (feat. Charlie Puth)

## JVKE

Down south hood baby (Hood baby)  
Make all the girls go crazy (Go crazy)  
Go, go, go stupid But, you smart like an a plus student  
Up down, right down  
Looking for your love, right now  
La, la, la, la  
Up down, all around Turn my stomach upside down  
La, la, la, la I found your hair tie in my car  
I could, only drive so far  
Without a break down (Ooh) Baby, you're the queen of hearts  
You know, how to play your cards  
You keep 'em face down (Ooh)  
(Ooh), I miss your face now  
Looking at your pictures  
Scrolling, way down (Ooh)  
Wishing I, could fix all my mistakes  
I, wish I could erase you  
Girl, I can't replace you You're the one, that got away (Ooohh)  
Girl, your energy  
Feel so heavenly  
Make me feel like  
La, la, la, la You a melody  
Put to memory  
It goes something like  
La, la, la, la Down south hood baby (Hood baby)  
Make all the girls go crazy (Go crazy)  
Go, go, go stupid  
But, you smart like an a plus student  
Up down, right down  
Looking for your love, right now  
La, la, la, la Up down, all around  
Turn my stomach, upside down  
La, la, la, la Girl, your energy  
Feel so heavenly  
Make me feel like  
La, la, la, la You, a melody  
Put to memory  
It goes something like  
La, la, la, la
