## Black Eyed Peas & Anitta

[Intro: Anitta]

Hahahaha

Hey[Verse 1: will.i.am & Anitta]

You know who I am

Girl, you fucking with a winner

I'm the man, I'm the man

The other bomboclaat for pretenders

Boy, you know who I am

No, I am no beginner

I make it hotter than the sun

Fire, fire, fire, I'm a sizzler

You back 'em down, back 'em down, down, down

Ra diggy-di-din-din ra, ooh, step, oh, yeah

I wine it down, wine it down, down, down

Tell 'em who I, tell 'em who I am, am, boy

[Pre-Chorus: will.i.am & Anitta]

You the bomb, you the bomb, you the bomb

You the bomb, bomb, bomb, bomb

Here it come, here it come, here it come

Ex-explosion

You the bomb, you the bomb, you the bomb

You the bomb, bomb, bomb, bomb

Here it come, here it come, here it come

Ex-explosion

Big sounds[Chorus]

Nanana, nanana, nanana

Nanana, nanana, nanana

Nanana, nanana, nanana

Nanana, nanana, explosion

[Verse 2: apl.de.ap]

Somebody call the security

This girl over here is killing me

She got the goddess symmetry

Killing me softly with the symphony

I fell in love with the melody

I'm listening to everything she's telling me (Yeah)

I'm buying everything that she's selling me

Girl bein' that fine should be a felony[Pre-Chorus: apl.de.ap & Anitta]

You the bomb, you the bomb, you the bomb

You the bomb, bomb, bomb, bomb

Turn me on, turn me on, turn me on

Ex-explosion

You the bomb, you the bomb, you the bomb  
You the bomb, bomb, bomb, bomb  
Here it come, here it come, here it come  
Ex-explosion[Chorus]

I'm a, I'm a, I'm a destroyer  
Oh my, oh my  
Girl, you bad, you dangerous  
You fly, so fly  
Girl, you a killer and a angel  
I look 'em down, look 'em down, down, down  
Ra diggy-di-din-din ra, destroy  
You wine it down, wine it down, down, down

Put the ring on the finger for life me  
We do it, just do it like Nike  
Girl, I'm loving your geometry  
I can see our future, optometry  
I can see you sitting on top of me  
Girl, I like it when you drop, drop your bomb on me[Chorus]
