

Say Yes

B5

If i was in love
just say if i was
would you love me back girl (ooh)
and just because you got a light
that brightens my night
would you saw you were "that girl" (ooh)no i don't wanna be a one time thriller
writing up the stars ima make you feel it
and who said forever's just a word
it's something you worth
and i wanna give you that girl
And I want you to say yea
And I'm gonna say yea
And I want you to say yea
And I'm gonna say yea
And I want you to say yea-yea
Im gonna say yea
And i want you to say yea
I'm gonna (BOTH) say YeaaaaIma lay it on the line
if you say yea, yes
I promise ima keep your heart right in mine
won't go nowhere
come on and say you do-o-o-o-o-o

and baby girl I want you to be mine
so just say ye-yes (hey!)
