

# No, No, No

## Eve

(Stephen Marley)

Yo, Eve

This is Steve (\* Laughing\*)

Yeah we telling, ya know how in the club

Hook this up together

Give me a call when you get the message

Rasta(Damien Marley (Eve))

Now this one is elementary

We going to end it for the century

Ruff Ryder evolution presentary

Rag-a-muffin play-mentry

Yo (Uh, Come On, yo) Bumba(Chorus) (x2)

(Eve - \*singing\*)

No, No, No

You don't love me and I know now

(Eve - \*singing\*)

Cause you left me baby

And I got no place to go now(Bridge) (x2)

No, No, No

I'll do any thing you say boy(Eve ' \*singing\* (Damien Marley))

Cause if you ask me baby

I'll get on my knees and pray boy

Uh huh uh, uh huh (yo) uh huh (yo)(Bridge #2) (x2)

(Eve - \*singing\*)

You say that you love me but how could you lie

You say that you love me but why could you lie

How could you take my heart and leave me with

I don't know why(Chorus) (x2)

(Eve - \*rapping\*)

Yo, yo, yo

Walk Hennessey-ya, brown skin

Pretty thin, Keep coming at ya like Bumba see you in

Slim nicey round thing, momma say what a disgrace

Who the number 1 killer but lover is a bounty chase

Never my fault then who it is nigga

Most dem love my style even dem say she rude

Mi a lie Mi not lie the truth speak 2g

What you think them lovers give a jack bout me

Ruff Ryder Ryde or Die jack bout we

Ruff Ryder Ryde or Die jack bout we

We, we, we(Damien Marley)

Mack to wrist to my girl I love the best

But when you left me it's like a bullet to my chest  
Now I got to say I got a bullet through vest  
Knocked off my feet I pleaded no contest  
Sleepless nights without no sleep or rest  
This is like a muffin jury you got to mix  
Take it no more and had to make her confess  
Sometimes I feel I'm in the Wild, Wild West  
Lost the love I had now I live to the death(Stephen Marley (Damien Marley))  
Long as I she caught me lying I get caught for lying  
If she sure believe then sure believe is the sign  
But listening to promises what a fool am I  
Can somebody tell me? You know all his life  
I'm just trying to be friendly, but I'm losing my mind  
The news that your moving got me standing outside  
Use to be rubber ducky late nights no wine  
Mrs. Lovely Vessel body all mine  
Girl went to shoot me with the shoot all mind  
Sweet like a puppy, is so hard to find  
And I know you don't love me, I'm reading the signs  
Cause there's no where to go since you left me behind  
(Now it's TRUE, TRUE) that I loved you for truth  
(TRUE, TRUE) she stick like ankle glue  
(TRUE, TRUE) I make your gray skies blue  
(TRUE, TRUE) you want me pers-nal boo  
Chilling up on the house our love be that strong  
DJ's steady playing on the one's and two's(Chorus) (x2)
