

# Teenage Dream

## 5 Seconds of Summer

I think you're pretty without any make up on  
I think you're funny when you tell the punch line wrong  
I know you get me so I let my walls come down, down  
Before you met me I was alright but  
Things were kinda heavy, you brought me to life  
Now every february you'll be my valentine, valentine  
Let's go all the way tonight  
No regrets, just love  
We can dance until we die  
You and I, we'll be young forever  
You make me feel like I'm living a teenage dream  
The way you turn me on  
I can't sleep let's run away and  
Don't ever look back, don't ever, look back  
My heart stops when you look at me  
Just one touch now, baby, I believe  
This is real so take a chance and  
Don't ever look back, don't ever look back  
We drove to cali, and got drunk on the beach  
Got a motel and built a fort out of sheets  
I finally got you my missing puzzle piece  
I'm complete  
Let's go all the way tonight  
No regrets, just love  
We can dance until we die  
You and I, we'll be young forever  
You make me feel like I'm living a teenage dream  
The way you turn me on  
I can't sleep let's run away and  
Don't ever look back, don't ever, look back  
My heart stops when you look at me  
Just one touch now, baby, I believe  
This is real so take a chance and  
Don't ever look back, don't ever look back  
I'ma get your heart racing in my skin tight jeans  
Be your teenage dream tonight  
Let you put your hands on me in my skin tight jeans  
Be your teenage dream tonight  
You make me feel like I'm living a teenage dream  
The way you turn me on  
I can't sleep let's run away and  
Don't ever look back, don't ever, look back  
My heart stops when you look at me  
Just one touch now, baby, I believe  
This is real so take a chance and  
Don't ever look back, don't ever look back
