

DYING 4 YOUR LOVE

Snoh Aalegra

[Intro: Snoh Aalegra]

Ooh, ooh, ah

Oh woah

Hmm, hmm [Verse 1: Snoh Aalegra]

Tell me how

Are we supposed to still be talkin' every day

When everything between us just completely changed?

Oh, why?

And tell me how

Am I supposed to go ahead and just erase

Every feeling, every memory we share?

Oh, why?

[Chorus: Snoh Aalegra & Ari PenSmith & P2J]

'Cause I was dying for this love, this love (This love, this love)

Yeah, I was dying for your love, your love

So tell me, baby, do you want me like I want you?

Even if you do, you wouldn't say, I know you

Some nights I even think about if I should call you

'Cause I thought you were the one

'Cause I was dying for this love, this love (This love, this love)

Yeah, I was dying for your love, your love

So tell me, baby, do you want me like I want you?

Even if you do, you wouldn't say, I know you

Some nights I even think about if I should call you

'Cause I thought you were the one

[Verse 2: Snoh Aalegra]

So tell me how

How could you tell me that you love me by mistake?

Intoxicated, via texts, ain't you ashamed?

That's so wild

So how can I

Believe or trust in anything that you say

When you so easily regret it next day?

See, that ain't right [Chorus: Snoh Aalegra & Ari PenSmith & P2J]

'Cause I was dying for this love, this love (This love, this love)

Yeah, I was dying for your love, your love

So tell me, baby, do you want me like I want you?

Even if you do, you wouldn't say, I know you

Some nights I even think about if I should call you

'Cause I thought you were the one

'Cause I was dying for this love, this love (This love, this love)

Yeah, I was dying for your love, your love

So tell me, baby, do you want me like I want you?
Even if you do, you wouldn't say, I know you
Some nights I even think about if I should call you
'Cause I thought you were the one[Post-Chorus: Snoh Aalegra]
Yeah, yeah, yeah, yeah
Ooh woah, ooh woah
Yeah, yeah, yeah, yeah
Ooh woah, ooh woah[Outro: Snoh Aalegra]
I know nobody's perfect
And we are the way we are
But you know I don't deserve this
And I've waited way too long
'Cause I was dying for this love, this love
Yeah I've been dying for your love, your love
