

# Won't Let You Down

Calum Scott

That love of your life  
He's treating you wrong  
You stand by his side  
He lies all along It's the fairytale you want  
But the glimmer in your eyes have gone  
And now you're alone  
I'll lend you my shoulder to cry on I won't let you down, this time around  
I'll show you how, no matter how far  
Don't care where you are  
I won't let you down Thanks for the tears, the pain that you caused  
And know you're just a memory  
An old familiar melody, she's heard before, hm  
It's a fairytale you ended  
Done with you pretending you're the fool  
Oh, you're the fool  
And now she's alone  
I'll give her my hand to hold on to I won't let you down, this time around  
And I'll show you how, no matter how far  
Don't care where you are  
I won't let you down And I see, now my eyes are open  
I'm not yours, tears have spoken  
I can't take all that is broken  
My feet on the ground I won't let you down, this time around  
And I'll show you how, no matter how far  
But I won't let you down, this time around  
And I'll show you how, no matter how far  
Don't care where you are  
I won't let you down
