

# Mrs All American

## 5 Seconds of Summer

I love that accent you have when you say hello  
You relocated from New York a month ago  
That minivan that you drive really gets me going  
And if it feels like it's right  
Then it can't be wrong  
No one understands the chemistry we have  
And it came out of nowhere  
Yeah, yeah, yeah, yeah  
It's not like we planned this, it's getting out of hand  
And now we're gonna go there  
Yeah, yeah, yeah, yeah  
Walk my way  
Mrs All American  
Say my name  
No need to pretend  
Don't be shy  
Mrs All American  
I'll show you why  
You're not gonna walk away  
Yeah  
Not just a neighbour  
Oh hey there I'll ring your bell  
Open your door, pucker up  
And I'll kiss you well  
My lips are sealed  
There's nobody that I would tell  
Your secret's mine, close your eyes  
And I'll make you melt  
No one understands the chemistry we have  
And it came out of nowhere  
Yeah, yeah, yeah, yeah  
It's not like we planned this, it's getting out of hand  
And now we're gonna go there  
Yeah, yeah, yeah, yeah  
Walk my way  
Mrs All American  
Say my name  
No need to pretend  
Don't be shy  
Mrs All American  
I'll show you why  
You're not gonna walk away

Oh yeah  
Na na na na na na na na  
You know what she like  
Na na na na na na na na  
You know what she like  
Na na na na na na na na  
Ah you know what she like  
Na na na na na na na na  
Walk my way  
Mrs All American  
Say my name  
No need to pretend  
Don't be shy  
Mrs All American  
I'll show you why  
You're not gonna walk away  
(Walk my way)  
Oh yeah  
(Say my name)  
You're not gonna walk away  
(Don't be shy)  
(I'll show you why)  
You're not gonna walk away
