

# Stars Over Texas

Tracy Lawrence

As you lie in my arms  
Girl my heart's on my sleeve  
Words come so hard in moments like these  
There's feelings I have that are so hard to show  
But right now there's one thing  
I want you to know  
Chorus:  
As long as the tides ebb  
The earth turns the sun sets  
I promise I'll always be true  
And as long as there's stars over Texas  
Darling I'll hang the moon for you  
I know I have stumbled and caused you some tears  
When you needed me most I haven't always been here  
I know I'm not always the man I should be  
But don't ever wonder what you mean to me  
Repeat Chorus  
And as long as there's stars over Texas  
Darling I'll hang the moon for you  
Darling I'll hang the moon for you
