

# Down (feat. Lil Wayne)

Jay Sean

Baby, are you down, down, down, down, down?  
Down, down  
Even if the sky is falling down?  
Down, down You oughta know  
Tonight is the night to let it go  
Put on a show  
I wanna see how you lose control So leave it behind  
'Cause we have a night to get away  
So come on and fly with me  
As we make our great escape  
So baby, don't worry  
You are my only  
You won't be lonely  
Even if the sky is falling down  
You'll be my only  
No need to worry Baby, are you down, down, down, down, down?  
Down, down  
Baby, are you down, down, down, down, down?  
Down, down  
Even if the sky is falling down? Just let it be  
Come on and bring your body next to me  
I'll take you away  
Turn this place into our private get away  
So leave it behind  
'Cause we have a night to get away  
So come on and fly with me  
As we make our great escape  
So why don't we run away? Baby, don't worry  
You are my only  
You won't be lonely  
Even if the sky is falling down  
You'll be my only  
No need to worry Baby, are you down, down, down, down, down?  
Down, down  
Baby, are you down, down, down, down, down?  
Down, down  
You down Even if the sky is falling down?  
Down like she posed to be  
She gets down low for me  
Down like her temperature 'Cause to me she zero degrees  
She cold, over freeze  
I got that girl from overseas

Now she's my Miss America Now can I be her soldier, please?  
I'm fightin' for this girl  
On the battlefield of love  
Don't it look like baby cupid  
Sent her arrows from above?  
Don't you ever leave the side of me  
Indefinitely, not probably And honestly, I'm down like the economy  
Baby, don't worry  
You are my only  
You won't be lonely  
Even if the sky is falling down  
You'll be my only  
No need to worry  
Baby, are you down, down, down, down, down?  
(And the sky is falling down)  
Down, down  
Baby, are you down, down, down, down, down?  
(Are you down? Are you down?)  
Down, down  
Even if the sky is falling down?  
(And the sky is falling down)  
And the sky is falling down
