Down (feat. Lil Wayne)

Jay Sean

Baby, are you down, down, down, down, down? Down, down Even if the sky is falling down? Down, downYou oughta know Tonight is the night to let it go Put on a show I wanna see how you lose controlSo leave it behind 'Cause we have a night to get away So come on and fly with me As we make our great escape So baby, don't worry You are my only You won't be lonely Even if the sky is falling down You'll be my only No need to worryBaby, are you down, down, down, down, down? Down, down Baby, are you down, down, down, down? Down, down Even if the sky is falling down?Just let it be Come on and bring your body next to me I'll take you away Turn this place into our private get away So leave it behind 'Cause we have a night to get away So come on and fly with me As we make our great escape So why don't we run away?Baby, don't worry You are my only You won't be lonely Even if the sky is falling down You'll be my only No need to worryBaby, are you down, down, down, down, down? Down, down Baby, are you down, down, down, down, down? Down, down You downEven if the sky is falling down? Down like she posed to be She gets down low for me Down like her temperature'Cause to me she zero degrees She cold, over freeze I got that girl from overseas

Now she's my Miss AmericaNow can I be her soldier, please? I'm fightin' for this girl On the battlefield of love Don't it look like baby cupid Sent her arrows from above? Don't you ever leave the side of me Indefinitely, not probablyAnd honestly, I'm down like the economy Baby, don't worry You are my only You won't be lonely Even if the sky is falling down You'll be my only No need to worry Baby, are you down, down, down, down, down? (And the sky is falling down) Down, down Baby, are you down, down, down, down? (Are you down? Are you down?) Down, down Even if the sky is falling down? (And the sky is falling down) And the sky is falling down Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
