

# Your Love Is My Drug

Ke\$ha

Maybe i need some rehab  
or maybe just need some sleep  
I got a sick obsession  
I'm seein it in my dreams  
I'm lookin down every alley  
i'm makin those desperate calls  
i'm stayin up all night hopin hitin my head against the wall what you got boy, is hard to find  
i think about it all the time  
i'm all strung out my heart is fried  
i just cant get you off my mind! because your love your love your love is my drug  
your love your love your love  
i said your love your love your love is my drug  
your love your love your love  
wont listen to any advice  
mommas tellin me i should think twice  
but look into my own devices, im addicted its a crisis  
my friends think i've gone crazy  
my judgments gettin kinda hazy  
My esteem is gonna be affected if i keep it up like a love sick crack head what you got boy, is  
hard to find  
i think about it all the time  
im all strung out my heart is fried  
i just cant get you off my mind! because your love your love your love is my drug  
your love your love your love  
i said your love your love your love is my drug  
your love your love your love i dont care what people say  
the rush is worth the price i pay  
i get so high when your with me  
but crash and crave you when you leave  
hey, so i got a question  
do you wanna have a slumber party in my basement?  
do i make your heart beat like an 808 drum  
is my love your drug? your drug?  
hi, your drug?  
hi, your drug?  
is my love your drug? because your love your love your love is my drug  
your love your love your love  
i said your love your love your love is my drug  
your love your love your love because your love your love your love is my drug  
your love your love your love  
i said your love your love your love is my drug  
your love your love your love hey, hey, so

you love, your love your love, is my drug  
i like your beard
