# Don't Go Away

## [Oasis](#)

Cold and frosty morning
There's not a lot to say
About the things caught in my mindAnd as the day was dawning
My plane flew away
With all the things caught in my mindI don't wanna be there when you're coming down
I don't wanna be there when you hit the groundSo don't go away
Say what you say
Say that you'll stay
Forever and a day
In the time of my life
'cause I need more time
Yes, I need more time
Just to make things right
Damn my situation
And the games I have to play
With all the things caught in my mindDamn my education
I can't find the words to say
With all the things caught in my mindI don't wanna be there when you're coming down
I don't wanna be there when you hit the groundSo don't go away
Say what you say
Say that you'll stay
Forever and a day
In the time of my life
'cause I need more time
Yes, I need more time
Just to make things right
Me and you - what's going on?
All we seem to know is how to show
The feelings that are wrongSo don't go away
Say what you say
Say that you'll stay
Forever and a day
In the time of my life
'cause I need more time
Yes, I need more time just to make things right Yes, I need more time just to make things right
Yes, I need more time just to make things right
So don't go away
