

Treasure

Flyleaf

That night I felt like I'd become something... treasured... different. Can I tell you a story as we
dance while the sun starts to bleed
Song of Songs' Love is calling, "Daughter, wake up from your sleep." Refined I'll become the
most dazzling precious treasure
I'll be treasured over all the earth Bearing the gift of a new heart
Patience ablaze I'm slowly burning Refined I'll become the most dazzling precious treasure
I'll be treasured over all the earth
Refined I'll become the most dazzling precious treasure
I'll be treasured over all the earth I am in awe and in shock
I am in love and given away
I'm reserved with these words Can I tell you a story as we dance while the sun starts to bleed
Trees rejoice with the wind here
Hallelujah, Yeshua
Tonight I've become the most dazzling precious treasure
I am treasured over all the earth
Just look at what he's done
How he's laying down his life
Take this life
Oh most dazzling precious treasure
Tonight I've become the most dazzling precious treasure
I am treasured over all the earth
