

# Too Much

## Spice Girls

Love is blind  
as far as the eye can see  
deep but meaningless  
words to me  
Easy lover  
I need a friend  
road to nowhere twist and turns but will this never end  
Well my dear you know that he pleases me  
but short term solution ain't no resolution  
there ain't no release for me  
Too much of something is bad enough  
but something's coming over me  
to make me wonder  
too much of nothing is just as tough  
I need to know the way to feel  
to keep me satisfied  
Unwrap yourself from around my fingerhold me too tight or left to linger  
something fine built to last slipped up there  
I guess we're running out of time too fast  
Yes my dear you know he soothes me there's no complication there's no explanation  
it's just a groove in me Too much of something is bad enough  
but something's coming over me  
to make me wonder  
too much of nothing is just as tough  
I need to know the way to feel  
to keep me satisfied  
What part of no don't you understand  
I want a man not a boy who thinks he can  
boy who thinks he can Too much of something is bad enough  
but something's coming over me  
to make me wonder  
too much of nothing is just as tough  
I need to know the way to feel  
to keep me satisfied  
Too much of something is bad enough  
but something's coming over me  
to make me wonder  
too much of nothing is just as tough  
I need to know the way to feel  
to keep me satisfied  
Too much of nothing  
so why don't we give it a try

too much of something  
you're gonna be living a lie  
Too much of nothing  
so why don't we give it a try  
too much of something  
you're gonna be living a lie  
Too much of nothing  
so why don't we give it a try  
too much of something  
you're gonna be living a lie  
Too much of nothing  
so why don't we give it a try  
too much of something  
you're gonna be living a lie  
Too much of nothing  
so why don't we give it a try
