

# Bed Time Story

Sheila E

Time 2 sleep  
But I'm not sleepy yet  
Close my eyes  
But dreamland's not a sure bet  
Don't go Stay with me  
Tell me a bedtime story Long ago there was a princess  
She was so fine  
She was all alone  
4 her prince, he never had no time  
U can hear her crying  
Don't go  
Stay with me  
Please talk 2 me  
Far away I want 2 go  
And start my life all over  
Instead, I'll stay  
Maybe I'll find a 4-leaf clover Stay with me  
Tell me a bedtime story, yeah Goodnight
