

Happy Mistakes

Heffron Drive

Uuhhuuhhuuhhuuh...
Even at the top of the mountain
There's another hill to climb,
So get ready for a long walk now,
So get ready for another mile, If it all amounted to nothing
would we put ourselves through this?
No we didn't have a fall-back plan,
No we didn't leave a home to miss Cause
We got what we need And we're looking for a miracle (HEY)
No, we don't mind waiting
No we don't mind.
looking for a miracle (HEY)
No we don't mind waiting,
No we don't mind.
No they said that we'd never make it,
but maybe we already did
We've been traveling a long road now
We've been giving all we have to give Let's remember the happy mistakes
that we might have forgot along the way
It's better to be humble now
It's better to admit we stray Cause
We got what we need And we're looking for a miracle. (HEY) (NO)
No, we don't mind waiting
No we don't mind.
looking for a miracle (HEY) Ohoh
No we don't mind waiting,
no we don't mind
We got what we need. Ohoh
We got what we need
And we're looking for a miracle. (HEY) (NO)
No, we don't mind, No we don't, No we don't. (HEY) (NO)
No, we don't mind, No we don't, No we don't. (HEY) (Uuhhuuhhuuh)
No, we don't mind waiting, no we don't, No we don't. (HEY)
No, we don't mind waiting, no we don't mind.
