## Rose

## **A Perfect Circle**

Don't disturb The beast The tempermental goat The snail while he's feeding on the Rose Stay frozen, compromising What I will I amBend around The wind silently thrown about Again I'm treading so Soft and lightly Compromising my willI am I am I will So no longer Will I Lay down Play dead Play your doe in the headlights locked down and terrified Your deer in the headlights shot down and horrified when Push comes to pull comes to shove Comes to step around this Self-destructing dance that never would've ended till I Rose, I roared aloud here I will I am.I am I will So no longer Will I Lay down Lay dead Play this Kneel down Gun-shy Martyr Pitiful I rose, I roared
