London, Paris, Monte Carlo, Germany and Rome
Different places, different faces still it feels like home
China, Holland, Belgium, Rio, Africa, Japan
That's the way we live and we do the best we can
Here we go on another tour on the road again
Feelin' good it's alright
Just enjoying ourselves
Come and take a flight with Boyz II Men back around the world
And were comin' through your town
All we do is for you
'Cause you've always been there
And we appreciate you Keisha, Kelly, Tonya, Stacy, Mica and LaShaun
