

# Each Other

Kem

Oh, oh.  
Yeah, yeah.No more lonely nights to hurt me.  
No more tears left to spare.  
No more reasons to be unhappy.  
You threw them all up in there air.And I don't know how you did it,  
But you made me a believer.  
I never thought that love  
Could turn someone into a dreamer.  
For the first time in my life  
I don't feel like a need a breather.  
Cause everywhere I go  
I wanna know you're gonna be there.  
I'd give it all up for you...  
I'd give it all up for you.  
Do anything you asked me to...  
Anything you asked me to.  
And like a pillow we can hold on to.  
Cause we got each other.  
We got each other.My loneliness has gone away.  
It left me here without a trace.  
And now I'm in a brand new place.  
Cause we got each other.  
Baby, we got each other.Yeah, yeah.And some times in the past almost pulled us under  
But we got through all that and it made us stronger  
Through the good, through the bad  
You just aint another  
Youre the best thing i have and we got each other.  
When the hard times confront me  
You always show me that you care  
And i believe you are my rescue  
When i see you right thereAnd I don't know how you did it,  
But you made me a believer.  
I never thought that love  
Could turn someone into a dreamer.  
For the first time in my life  
I don't feel like a need a breather.  
Cause everywhere I'm gonna go  
I wanna know you're gonna be there.I'd give it all up for you...  
I'd give it all up for you.  
Do anything you asked me to...  
Anything you asked me to.  
And like a pillow we can hold on to.

Cause we got each other.  
We got each other. My loneliness has gone away.  
It left me here without a trace.  
And now I'm in a brand new place.  
Cause we got each other.  
Baby, we got each other. You are the hand that I reach for  
When I don't want to be alone  
You are the voice i hear at night  
Lets me know I'll be alright  
When i need a real good friend  
Don't have to look far  
You're the best  
Im safe here in your arms  
And i know this is where i belong. I'd give it all up for you...  
I'd give it all up for you.  
Do anything you asked me to...  
Anything you asked me to.  
And like a pillow we can hold on to.  
Cause we got each other.  
We got each other. My loneliness has gone away.  
It left me here without a trace.  
And now I'm in a brand new place.  
Cause we got each other.  
Baby, we got each other. No matter what happens we got each other  
Had some times in the past but we got each other  
Through the good through the bad we still got each other  
Really happy or sad but we got each other. I'd give it all up for you...  
I'd give it all up for you.  
Do anything you asked me to...  
Anything you asked me to.  
And like a pillow we can hold on to.  
Cause we got each other.  
We got each other. My loneliness has gone away.  
It left me here without a trace.  
And now I'm in a brand new place.  
Cause we got each other.  
Baby, we got each other. And some times in the past almost pulled us under  
But we got through all that and it made us stronger  
Through the good, through the bad  
You just aint another  
You're the best thing i have and we got each other.
