

You, I & the Music

Junior Sanchez

You and I and the music
You and I and the music
You and I and the music
You and I and the music
I got this feelin
And I know theres got to me meaning
Cause I know our love will last forever
And you and I
Will always be together
And you and I
Will always be together
And you and I
Will always be together
And I know
There are pressures
And you and I
Will always be together
Together
You and I
You and I
You and I and the music
I got
This feelin
And I know
Theres got to be meaning
Cause I know our love will last forever
And you and I
Will always be together
And you and I
Will always be together
And I know
There are pressures
And you and I
Will always be together
Be together
Be together
Be together
Be together
You and I
You and I
You and I
Will always be

You and I
Always be
You and I
Always be
You and I
Always be
You and I
