Nobody (feat. Alicia Keys & Nicki Minaj)

DJ Khaled

We the Best Music! Young Money! Alicia Keys! I just got back from where they said I couldn't get back from And I thank god, I thank god that I made it They surprised, they surprised that I made it Heart is like diamond keep blindin' their faces I wonder how I keep finding these places I can't explain how it feels to be patient Killing the drama, we finally made it Yeah, yeah, yeah, yeah, yeah, yeah, yeah, yeah, yeah Nobody knows, nobody knows, nobody knows, nobody but you Yeah, yeah, yeah, yeah, yeah, yeah, yeah, yeah, yeah Nobody knows, nobody knows, nobody knows, nobody but you I got something inside of me that can't be quenched I'm addicted to winning and I can't be benched Go to war for every black queen that they lynched And my pockets on chubby but they can't be pinched After they use you, then they abuse you Then they get mad when they lose you (Excuse you) You know the liar will accuse you You know the queen still reign, it's just business as usual Anything I touch, I bless it Track record so impressive Open the Billboard Awards with a hit record The devil thought he had me But I rebuked him, got money and I'm still a baddie I just got back from where they said I couldn't get back from And I thank god, I thank god that I made it They surprised, they surprised that I made it Heart is like diamonds, keep blinding they faces I wonder how I keep finding these places I can explain how it feels to be patient Killing the drama, we finally made it Yeah, yeah, yeah, yeah, yeah, yeah, yeah, yeah, yeah Nobody knows, nobody knows, nobody knows, nobody but you Yeah, yeah, yeah, yeah, yeah, yeah, yeah, yeah, yeah Nobody knows, nobody knows, nobody knows, nobody but you Say nobody knows, all the trouble I see Glory, looking for some glory, from all the trouble I see Tell em' nobody knows, all my sorrows

Nobody knows, war tomorrow I just got back from where they said I couldn't get back from And I thank god, I thank god that I made it They surprised, they surprised that I made it Heart is like diamonds, keep blinding they faces I wonder how I keep finding these places I can explain how it feels to be patient Killing the drama, we finally made it Yeah, yeah, yeah, yeah, yeah, yeah, yeah, yeah, yeah Nobody knows, nobody knows, nobody knows, nobody but you Yeah, yeah, yeah, yeah, yeah, yeah, yeah, yeah, yeah Nobody knows, nobody knows, nobody knows, nobody but you Baby Can you feel it? Can you see it? Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
