

# Let's Pretend We're Married

## Prince

Excuse me but I need a mouth like yours  
2 help me forget the girl that just walked out my door  
Funny but it seems that U're alone like me  
If U are, girl let's come see what we can see Ooh, little darlin', if U're free 4 a couple o' hours  
(Free 4 a couple o' hours)  
If U ain't busy 4 the next 7 years (Next 7 years)  
I said let's pretend we're married and go all night  
There ain't nothin' wrong if it feels alright  
I won't stop until the mornin' light  
Let's pretend we're married and go all night 2night  
Ooh wee sha sha coo coo yeah  
All the hippies sing 2gether  
Excuse me but I need your chemistry Don't U wanna be my fantasy?  
My girl's gone and she don't care at all  
And if she did, so what, come on baby, let's ball!  
Let's just pretend we're married 2night  
Excuse me but I need a mouth like yours 2 help me forget the girl that just walked out my  
door Let's pretend we're married and do it all night  
I won't stop until the mornin' light  
Huh, let's pretend we're married and go all night, yeah  
Ooh, little darlin', if U're free 4 a couple o' hours (Free 4 a couple o' hours)  
If U ain't busy 4 the next 7 years (Next 7 years) Oh darlin', let's pretend we're married and go all  
night  
There ain't nothin' wrong if it feels alright  
I won't stop until the mornin' light  
Let's pretend we're married and go all night! (2night)  
(Ooh wee sha sha coo coo yeah)  
Pretend we're married  
Let's pretend we're married  
(Ooh wee sha sha coo coo yeah) {x4} All the hippies sing 2gether  
Oh everybody  
All the hippies sing 2gether  
Yeah, yeah  
My girl's gone and she don't care at all  
And if she did, so what, come on baby, let's ball I wanna fuck U so bad it hurts, it hurts, it hurts  
Ooh, I wanna, I wanna, I wanna, I wanna, I wanna, I wanna fuck U Yeah, I wanna, I wanna,  
ooh, I wanna fuck U  
Look you Martian, I'm not sayin' this just 2 be nasty  
I sincerely wanna fuck the taste outta your mouth  
Can U relate?  
My girl's gone and she don't care at all  
And if she did, I wouldn't care, let's ball

Whatever U heard about me is true  
I change the rules and do what I wanna do  
I'm in love with God, He's the only way  
Cuz U and I know we gotta die some day  
If U think I'm crazy, U're probably right  
But I'm gonna have fun every motherfuckin' night  
If U like 2 fight, U're a double-drag fool  
I'm goin' 2 another life, how 'bout U?
