

# Our Lips Are Sealed

Hilary Duff & Haylie Duff

Can you hear them  
They talk about us  
Telling lies, well that's no surprise  
Can you see them  
See right through them  
They have no shield, no secrets to reveal  
It doesn't matter what they say  
In the jealous games people play  
Our lips are sealed It's a weapon  
Which we must use  
In our defense, silence  
Spreading rumors, so far from true  
Dragged up from the underworld  
Just like some precious pearl  
It doesn't matter what they say  
In the jealous games people play  
Our lips are sealed  
Pay no mind to what they say  
It doesn't matter anyway  
Our lips are sealed Hush my darling  
Don't you cry  
Quiet angel  
Forget their lies Can you hear them  
They talk about us  
Telling lies, well that's no surprise  
Can you see them  
See right through them  
They have no shield, no secrets to reveal  
It doesn't matter what they say  
In the jealous games people play  
Our lips are sealed  
Pay no mind to what they say  
It doesn't matter anyway  
Our lips are sealed  
Our lips are sealed  
Our lips are sealed
