

# I Feel Ya

## Cheat Codes, Danny Quest & Ina Wroldsen

I feel, I feel ya  
When the lights dim down in the club I feel ya  
Put your fingertips on my neck I feel ya  
When they play this hella good song I feel ya  
I feel ya, I feel ya  
You wanna get out this club I feel ya (I feel ya)  
If you wanna put down that drink I feel ya (I feel ya)  
You wanna go take me home I feel ya (I feel ya)  
I feel ya, I feel ya  
You wanna get out this club (Club)  
You wanna get out this club (Club)  
I feel, I feel ya, I feel, I feel ya  
When the lights dim down in the club I feel ya (I feel ya)  
With your fingertips on my neck I feel ya (I feel ya, yeah)  
When they play this hella good song I feel ya  
I feel ya, I feel ya  
You wanna get out this club (Club)  
You wanna get out this club (Club)  
Wanna get, wanna get out of, la-la-la  
Boy tease girl, girl touch boy  
Do you gotta sick of it, yeah  
Boys and girls, girls and boys  
We do shit for the hell of it  
Boy tease girl, girl touch boy  
Do you gotta sick of it  
Boys and girls, girls and boys  
We do shit for the hell of it  
When you look at me with them eyes I feel ya  
If you wanna make this one night I feel ya (I feel ya)  
Say you don't wanna stop this vibe I feel ya  
I feel ya (I feel ya), I feel ya (I feel ya)  
You wanna get out this club (Club)  
You wanna get out this club (Club)  
I feel, I feel ya, I feel, I feel ya  
Wanna get, wanna get out, la-la-la  
Boy tease girl, girl touch boy  
Do you gotta sick of it, yeah  
Boys and girls, girls and boys  
We do shit for the hell of it  
Boy tease girl, girl touch boy  
Do you gotta sick of it, yeah  
Boys and girls, girls and boys
