

# Lonely

Joel Corry

L-l-l-l-lonely, l-l-l-l-lonely  
L-l-l-l-lonely now You were the one who said it's over  
Now you wanna come back  
So take your hand off my shoulder  
This time it's not like that, 'cause I know where your heart's at I know you like to be alone, but  
hate being lonely  
When you see me doing well, that's when you call me  
Now I'm doing fine, don't need you in my life  
I guess you're missing me now Just because you're lonely, doesn't mean we go back to the start  
Just because you're lonely, don't mean that you can play with my heart  
Who do you think you are?  
Just because you're lonely, doesn't mean we go back to the start  
Just because you're lonely, don't mean that you can play with my heart  
Who do you think you are?  
You say you've changed and you're different  
But I don't wanna hear that  
Your friends are saying that you miss me  
But I don't really know that, 'cause I know where your heart's at I know you like to be alone, but  
hate being lonely  
When you see me doing well, that's when you call me  
Now I'm doing fine, don't need you in my life  
I guess you're missing me now Just because you're lonely, doesn't mean we go back to the start  
Just because you're lonely, don't mean that you can play with my heart  
Who do you think you are? L-l-l-l-lonely, l-l-l-l-lonely  
L-l-l-l-lonely now  
L-l-l-l-lonely, l-l-l-l-lonely  
L-l-l-l-lonely now  
You don't have to lie, lie, lie, lie, lie  
You can speak your mind, mind, mind, mind, mind  
You don't have to lie, lie, lie, lie, lie  
You could've been mine, mine, mine, mine, mine Just because you're lonely, doesn't mean we  
go back to the start  
Just because you're lonely, don't mean that you can play with my heart  
Who do you think you are? L-l-l-l-lonely, l-l-l-l-lonely  
L-l-l-l-lonely now  
L-l-l-l-lonely, l-l-l-l-lonely  
L-l-l-l-lonely now  
Just because you're lonely
