Fools

Nada Surf

Fools never learn You play with fire You're gonna get burnedYou and I are fools We play with love We're gonna get burnedFools that's what we are Fools we've gone too far I knowBut then love you come to me Your eyes are on fire You're tempting me Love knows no bounds beggar or king It'll bring you downFools find love somehow Fools we can't stop now I know But then love this I know fool I may be But I can't let go Love this I know fool I may be But I can't let go Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
