Everything to Me

Monica

Boy if you ever left my, My side, It'd be like taking the sun from The sky I'd probably die without You in My life Cause I need you to Shine, shine Your lightYou're everything to me, heey The air that I breathe, oh I sigh so I see, oh Lord You're everything to me I can't repay you for all that you've done Always come first and second to none All that you've given me is equal to ten My peace, my joy You are my My strengthYou're everything to me, whoa The air that I breathe I sigh so I see, ohhh that You're everything to me(Boy I never thought) Never thought I'd feel a love like this Better than our first date Sweeter than our first kiss (and you) Ain't no other person for me You're my best friend My lover (Baby you're) My everything You're everything to me, whoa The air that I breathe I sigh so I see, ohhh You're everything to meI need you, I need you, I need you...
