

If We Ever (feat. Makeba)

David Guetta & Makeba

I've been fragile for a long time
A big ol' hole inside my heart
And I was searching through the valley
Stumbled on love in the dark Was afraid
To try
But afraid to never know
What it feels
Like
To be loved Had a hill
To climb
But the places we could go
Oh-oh
I've gotta know
So if we ever
Fell in
Love
Would the wind know?
Would the pain go?
Ohh
So if we ever
Fell in
Love
Oh-oh oh-oh oh-oh I was empty, it was all gone
The birds would sing but make no sound
'Till I met you, found I was all wrong
You picked me up right off the ground
Was afraid
To try
And afraid we'll fall again
Crashing down
From the sky
Y'know Had a hill
To climb
But with you my hand will make
There's the one thing
We all wanna know! So if we ever
Fell in
Love
Would the wind know?
Would the pain go?
Ohh
So if we ever

Fell in
Love
Oh-oh oh-oh oh-oh I just wanna know (know)
I just wanna know
Tell me, tell me so, baby I just wanna know
I just wanna know (know)
I just wanna know
Tell me, tell me so, baby I just wanna know
I just wanna know (know)
I just wanna know
Tell me, tell me so, baby I just wanna know
I just wanna know (know)
I just wanna know
Tell me, tell me so, baby I just wanna know So if we ever
Fell in
Love
Would the wind know? (wind know?)
Would the pain go?
Ohh (yeah)
So if we ever
Fell in
Love
Oh-oh oh-oh oh-oh So if we ever
Fell in love
Ohh
I wanna know
What it feels like to be loved
